

where LAKE and DOLOMITES meet

MOLVENO

FULL GUIDE

ACCOMMODATION RESTAURANTS SHOPS ACTIVITIES

THE DOLOMITI PAGANELLA

ACTIVE!

MOUNTAIN BIKE!

Molveno is a paradise for mountain bikers. It meets the needs of bikers with downhill bike parks, enduro trails, and single tracks surrounded by the green Adamello Brenta Nature Park. At the Molveno Lido, the pump track with adjoining skill area allows you to train your technique and improve your bike mastery.

E-BIKE!

The routes between Lake Molveno and the Brenta Dolomites are even more accessible with e-bikes! Here, a little further out, there are even more places to explore and have a great time. At the cable car departure point and in the lido area, you can rent your mountain bike and your perfect equipment.

NORDIC WALKING

Walking through areas of particular beauty will make your experience unique and exciting. Choose from a variety of itineraries.

TREKKING

The trails in the area are suitable for both families and experienced hikers. The Pradel Plateau, which can be reached on foot or by panoramic cableway from the village, is the starting point for the spectacular peaks and refuges of the Brenta Dolomites.

VIA FERRATAS

The Brenta Dolomites are the kingdom of via ferratas. Almost 50 km of via ferratas, divided into 14 itineraries, connect the mountain huts in the group with breathtaking views.

CLIMBING

Around Molveno, there are five climbing gyms, a bouldering area and more than 200 classic and sport climbing routes. The numerous mountain huts in the area provide an excellent logistical starting point for your climbs.

Follow us

SAILING

If you are looking for an extra thrill and a new challenge for your holiday, try sailing. The power of the wind and your resilience will make you feel amazing!

www.velicamolveno.it

SUP

The calm waters of Lake Molveno are ideal for practising this sport. It is possible to hire SUPs, paddles and life jackets.

CANOE, PEDALOS, ELECTRIC BOATS

At the Molveno Lido, a long and wide jetty provides easy access to pedalos, electric boats and single or double canoes. It is also possible to moor private boats.

PARAGLIDING

Discover the adrenaline rush and wonder of paragliding and take in the lake and mountain panorama from above. Take off at high altitude, in the heart of the Brenta Dolomites, and fly over the crystal-clear waters of the lake for an unforgettable experience. Two-seater flights are possible from the age of 8.

A MAGICAL PLACE FOR YOUR WELLBEING

FAMILY MOUNTAIN BIKING AND E-BIKING

Discover our region on a family bike ride. Take your children in special seats or on their mountain bikes.

Free to use. From 5 years old.

PUMPTRACK

The Pumptrack modular track, with humps and bends, is a track in the Lido area designed to improve your cycling skills, technique and reflexes by riding over uneven terrain.

Free to use. From 5 years old.

SWIMMING POOLS AND AQUAPARKS

Games, diving, outdoor fun! Discover the Aquapark on the beach of Molveno: a 20 x 15 metre play pool, water games, waterfalls, slides, but also an entertainment service for your children looking for fun.

MINIGOLF

The 12-hole mini-golf course will provide you with moments of fun. Its magnificent location makes it unique in its kind.

PLAYA PARK MINICLUB

Your children will never be bored on holiday thanks to our Mini Club. Open every day of the week, it surprises children and teenagers with an ever-changing entertainment programme.

From 4 to 12 years old. Booking required.

WALKING IN MOLVENO

For those who love the mountains but don't want to undertake difficult treks with great differences in altitude, Molveno offers many excursions of easy and medium difficulty in a natural environment of great beauty.

FOREST PARK

The Forest Park, built in the trees, offers aerial trails at different heights from the ground and with varying degrees of difficulty. From one fir tree to another, you can cross the forest, suspended between the trunks of centuries-old fir trees, breathtaking cableways and Tibetan bridges.

The Forest Park is easily reached by the Molveno Pradel cableway.

www.funiviemolveno.it

THE SCIURY TRAIL

Would you like to meet the most cheeky squirrel in our woods? Ask mum and dad to show you the educational trail of Sciury, the squirrel who lives in Pradel above Molveno.

You will learn to recognise it and discover all its secrets!

www.funiviemolveno.it

EDUCATIONAL FARM

From the village of Molveno, take the cable car up to the picturesque Pradel plateau. A twenty-minute walk will take you to the educational farm, where you can learn about the habits of cows, sheep, goats, donkeys, geese, chickens and pigs, and about the agricultural and pastoral activities of our mountain areas.

BEARS AND WOLVES IN THE DOLOMITES

In the Spormaggiore Wildlife Park you can admire the wolf, the lynx, the fox, the eagle owl and the otter, as well as its special guest, the brown bear.

www.belpark.it

BALANCING BODY AND SOUL

Nourish yourself with nature, relax your mind, meditate with simplicity, breathe deeply, be in the present moment, get in touch with the deepest dimension of your body. These are just some of the aims of the many activities that are organised in Molveno and dedicated to the care of body and soul.

DOLOMIA WELLNESS

A new wellness centre within the campsite with Finnish sauna, steam bath, experience showers, jacuzzi and relaxation room.

HOTELS WITH SPA FACILITIES

A wide range of hotels with spa facilities for the holiday of your dreams!

THE MAGIC OF SNOW

FUN PARK AND SKI SCHOOL CAMP

A large, sunny and safe ski paradise is located next to the most beautiful lake in Italy and at the foot of the Dolomites, the fun for your children is added to the wonder of an enchanting landscape.

ICE SKATING

When the skating rink is located next to the most beautiful lake in Italy and at the foot of the Dolomites, the fun for your children is added to the wonder of an enchanting landscape.

SNOW WALKS IN MOLVENO

The soft, white snow gives a new face to the natural landscape. It invites you to rediscover it in every corner, with walks in close contact with nature.

SNOWSHOE HIKING

Snowshoeing allows you to experience the majesty of the mountain amidst its snow-covered slopes. There are many itineraries to choose from, so find the one that suits you best.

SLEDGING FUN

Try the new Scoiattolo sledge run, the fun snow run that starts at the top of the chairlift and descends to Pradel, with breathtaking views. Extend the thrill and fun to Andalo with the Bambi run, which starts at the top of the La Panoramica cable car and descends to Sarnacì.

SKI MOUNTAINEERING IN THE DOLOMITES

To explore the mountains and reach untouched and paradisiacal places in the snow is the great opportunity that ski mountaineering and sealskins offer you. Tranquility, silence, a little effort but deep satisfaction are the ingredients of this sport.

ALPINE SKIING AT YOUR FINGERTIPS

The Pradel ski run, which can be reached by cable car and chairlift from Molveno, is the ideal place to take your first steps on skis. Just 5 km from Molveno you will find the 50 km of slopes of the Paganella.

SNOWBOARDING ON PAGANELLA

Put on your boots and live your passion in the Dosson Snowpark, accessible by the 8-seater Andalo-Doss Pelà gondola. Divided into easy and expert zones, the snowpark has 4 tables with 11 structures and a 100-metre-long treadmill.

NIGHT SKIING

Have you ever thought about skiing at night? At the Paganella ski area, 5 km from Molveno, you can do just that, thanks to illuminated slopes.

CROSS-COUNTRY SKIING ON PAGANELLA

Every time you practise it, you wonder why it is so exhausting but so rewarding at the same time. Try the slopes just 5 km from Molveno, which can be reached by the winter ski bus service.
