

THE WONDERFUL
UNION BETWEEN THE LAKE
AND THE BRENTA DOLOMITES

MOLVENO

where LAKE
and DOLOMITES
meet

AN EMBRACE IN THE HEART OF TRENTINO

The authenticity of the typical mountain village, the enchantment of Italy's most beautiful lake and the majesty of the Brenta Dolomites, a UNESCO World Natural Heritage Site, are united in an embrace of extraordinary beauty.

UNESCO HERITAGE SITE: THE DOLOMITES

The UNESCO recognition is a testament to the extraordinary landscape and naturalistic value of the Dolomites. It celebrates their charm and beauty.

THE MOST BEAUTIFUL LAKE IN ITALY

For nine years running, the "Il Mare più bello" (The most beautiful sea) guide by Legambiente and Touring Club Italiano has awarded Molveno first place among the "beautiful and sustainable" resorts, awarding the lake of the same name the five lake sails and confirming it as the winner of the lake ranking. This is a fantastic and well-deserved recognition! It's the result of meticulous, conscious and constant care over time.

DOLOMITES

OF BRENTA FREE TO LIVE YOUR

PASSION

FOR

THE MOUNTAINS!

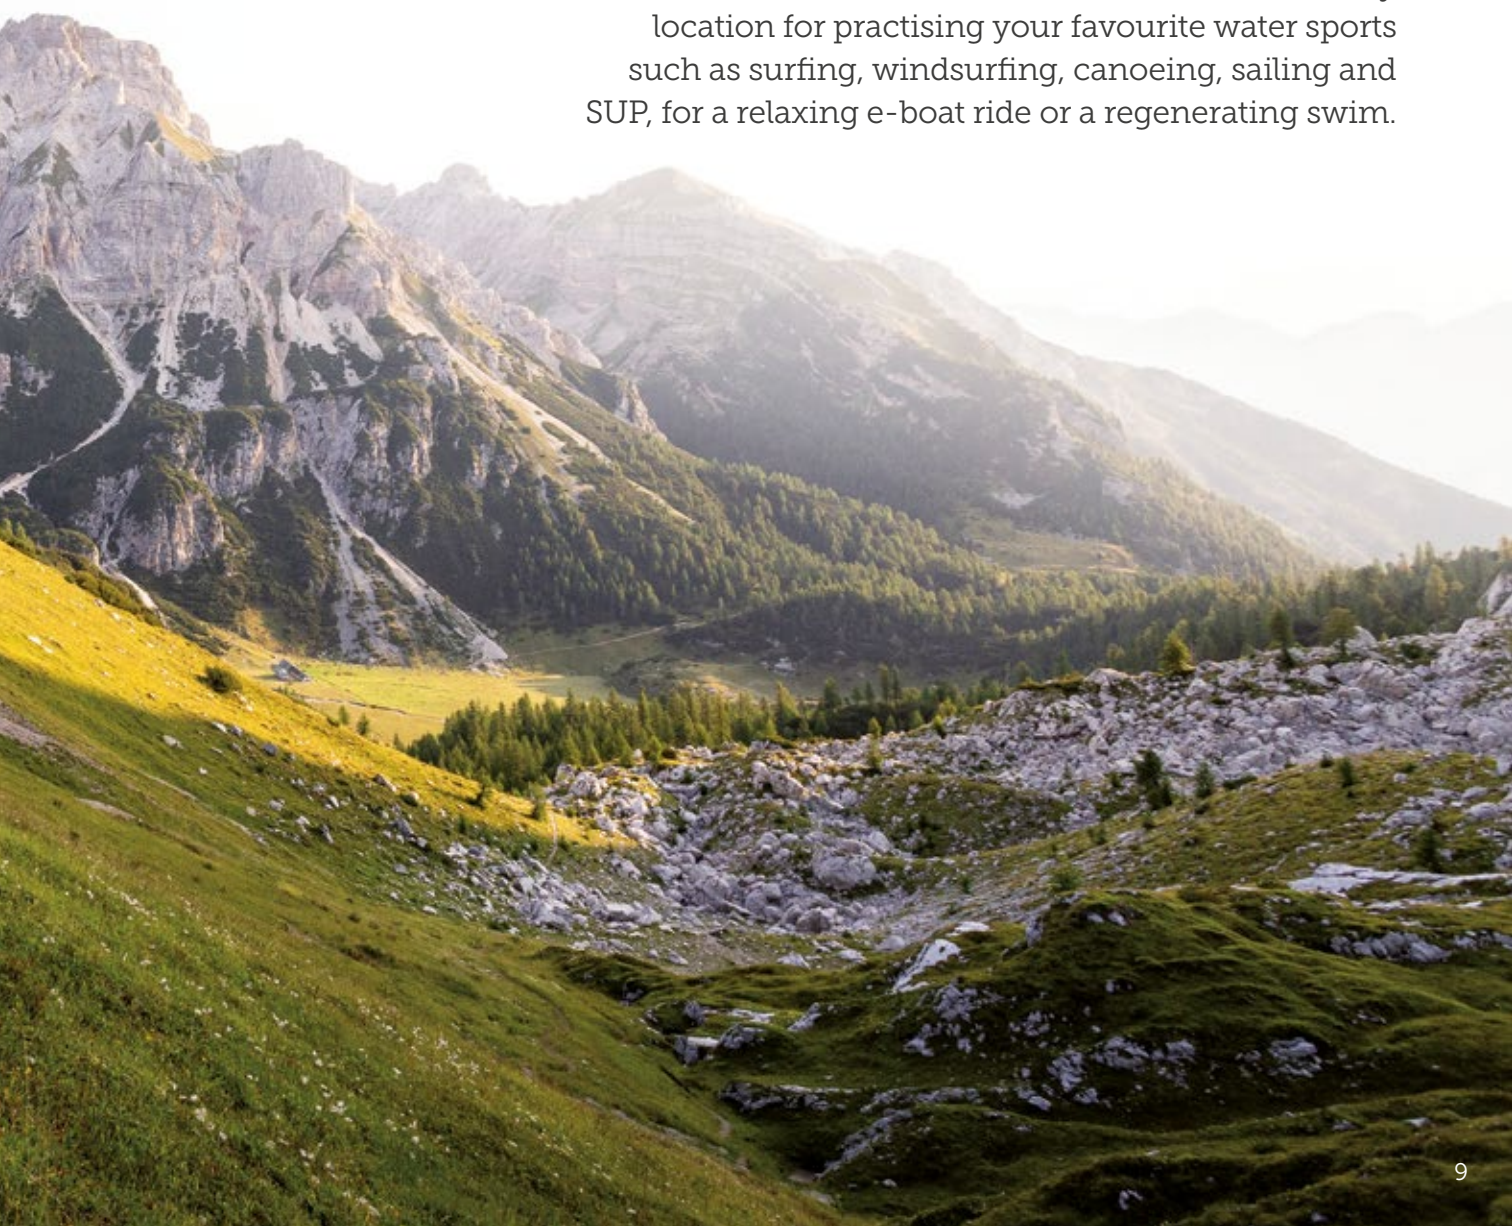

Molveno is completely surrounded by the magnificent mountains of the Brenta Dolomites: Cima Brenta, Cima Tosa, Croz dell'Altissimo, Campanil Basso, Catena degli Sfulmini, Torre di Brenta, Cima Armi, Cima Lasteri, Piz Galin, Monte Gazza and the Pradel Plateau

FREE TO EXPERIENCE ALL THE BEAUTY OF AN ACTIVE HOLIDAY!

The Brenta Dolomites offer a unique setting for trekking, climbing, trail running, Nordic walking, paragliding, vie ferrate and mountain biking. The lake at the foot of the Brenta Dolomites is an extraordinary location for practising your favourite water sports such as surfing, windsurfing, canoeing, sailing and SUP, for a relaxing e-boat ride or a regenerating swim.

MOUNTAIN BIKE!

Molveno is a paradise for mountain bikers. With a downhill bike park, enduro trails and single tracks, surrounded by the green Adamello Brenta Natural Park, it meets all the needs of bikers. At the Lido di Molveno, the pump track with adjacent skill area allows you to train your technique and improve your mastery of the bike.

E-BIKE!

The routes between Lake Molveno and the Brenta Dolomites are even more accessible with e-bikes! More distance, more places to discover for maximum fun. You can rent your mountain bike and the ideal equipment at the cable car station and in the Lido area.

NORDIC WALKING

Walking through glimpses of extraordinary beauty will make your experience unique and exciting. Choose from a wide range of itineraries.

TREKKING

The trails in the area are suitable for both families and more experienced hikers. The Pradel Plateau, which can be reached on foot or by panoramic cableway from the village, is the starting point for the spectacular peaks and refuges of the Brenta Dolomites.

VIA FERRATAS

The Brenta Dolomites are the kingdom of the via ferratas. Nearly 50 km of via ferratas, divided into 14 routes, connect the refuges of the group with breathtaking views.

CLIMBING

Around Molveno there are five climbing centres, a bouldering area and more than 200 classic and sport climbing routes. The many refuges in the area provide an excellent logistical base for your climbing excursions.

SAILBOAT

If you are looking for an extra thrill and a new challenge for your holiday, try sailing: the power of the wind and your endurance will give you fantastic sensations!

If you love the mountains, but don't want to take on demanding treks with great differences in altitude, Molveno offers many easy and medium-difficulty walks in a natural environment of great beauty.

TYPICAL FLAVOURS IN THE HEART OF THE DOLOMITES

Good food makes a holiday special. It is the simplest and most spontaneous way to get to know a culture and its traditions. The gastronomy of this land is rich in typical products, which with their flavours, fragrances and colours express the character and pride of a unique and extraordinary people.

TYPICAL DINNER IN THE HEART OF THE DOLOMITES

After a day in the open air, the desire for a typical dinner is even greater. At high altitude in refuges, in the town centre or near the lake, you can choose the menu that best satisfies your palate.

It is important to know the culture and traditions of the past, as well as the old ways of obtaining the scarce resources of the Alpine region, in order to understand our love for the nature that surrounds us.

CULTURE AND TRADITION

LITTLE CHURCH OF SAINT VIRGIlius

Dating back to the 13th century and dedicated to Virgilius, Bishop of Trento who died in 400 A.D., it is a listed building protected by the Province of Trento.

TAIALACQUA SAWMILL

Built around 1500 by the inhabitants of the village to improve the economic, forestry and pastoral conditions of the population, today it bears witness to ancient trades.

CASTLES OF TRENTO

An expression of the authentic architecture and history of our territory, the castles were indispensable fortresses and splendid residences, rich in charm and art. A few kilometres away you can visit Castel Thun, Castel Valer, Castello del Buonconsiglio, Castel Stenico.

THE DOLOMITES ABOVE THE SNOW

Molveno is even more romantic in the snow!
Snowshoeing, exploring the area with sealskins,
skiing on the 50 km of slopes of the Paganella,
cross-country skiing, having fun sledging, enjoying
a good meal around the fireplace...
Discover all the possible activities.

FUN PARK AND SKI SCHOOL

A large, sunny and safe island where you can get to know skis and take your first steps under the guidance of ski instructors. Lots of fun and games in an area specially designed for children!

WALKING IN THE SNOW

The soft, white snow gives a new face to the natural landscape. It invites you to rediscover it in every corner, with walks in close contact with nature.

ICE SKATING

When the skating rink is next to the most beautiful lake in Italy and at the foot of the Dolomites, the fun for your children is added to the wonder of an enchanting landscape.
